

The logo features a circular design. The top half is a light blue gradient background with a dark blue circular border. Inside the circle, the word "SOIL" is written in large, bold, black letters. The letters are partially obscured by a dark brown, textured soil or leafy ground surface. The bottom half of the circle shows a dark brown, textured soil surface. Overlaid on this soil surface is the number "4" in a large, bright green font. A single green leaf is positioned above the "4". Below the "4", the word "CLIMATE" is written in large, light blue letters, which are also partially obscured by the dark brown soil texture.
